## **Praise for *Mandate for Leadership 2025*:**

“The next conservative president must dismantle the administrative state and return power back to the states and the American people. This publication is a blueprint to do just that.”

**–Mike Lee**  
*U.S. Senator, Utah*

“Months before he was sworn in, The Heritage Foundation provided incoming President Reagan a copy of the first *Mandate for Leadership*, setting out a bold agency-by-agency agenda. Now 40 years later, conservative leaders have joined together again to prepare this compendium of policy fixes. Welcome to the next conservative revolution.”

**–Ed Meese**  
*Former U.S. Attorney General*

“A sweeping plan to end the weaponization of the government against Americans and the values they care about.”

**–Mollie Hemingway**
